Overview

The Valley of Flowers National Park was designated a UNESCO World Heritage Site in 2005 for its outstanding universal value as a natural site. The unique landscapes here show why it is considered one of the most beautiful destinations. You will see a blend of colours that is hard to imagine until you experience it yourself. The blooming flowers, along with those that have fallen, create a scene that is truly mesmerizing. Hemkund Sahib - One of the World's Highest Gurudwaras Hemkund Sahib is another highlight of this trek. It is a beautiful pilgrimage site and a place of worship dedicated to Guru Gobind Singh, the tenth Sikh Guru. The Gurudwara is located in a picturesque setting, surrounded by towering mountains, with a glacial lake beside it that adds to its beauty. During winters, the Gurudwara remains covered in snow and the lake freezes completely. Being a sacred place of worship, it draws pilgrims from all over the world. The peaceful natural setting and spiritual aura of the place add a sense of serenity to the journey and leave a lasting impression. It is truly a must-visit destination close to the Valley of Flowers.
